

# Global Express XRS

## Features

The Global Express XRS, Bombardier's Mach 0.85 ultra long-range aircraft, is a reliable, efficient and luxurious business jet. Designed to meet short-field and long distance travel requirements, the Global XRS offers a non-stop range of 6,150 nautical miles. The GX transforms complex itineraries into efficient travel strategies for up to thirteen passengers. International travel to Europe and Asia become non-stop destinations from most cities in the United States.
